

How to use GLOBAL CASH CARD

As you earn 25 \$ dollar minimum commission, to get paid, ask for your Global Cash Card.

Send an e-mail to paycard@lifewave.com. They need:

- Full name
- LifeWave Distributor ID number
- Physical Address (no PO Box)
- Copy of government Tax ID
- Copy of government-issued ID, regardless of your country of residence

Usually it takes 2-4 weeks to receive the card.

ACTIVATION INSTRUCTIONS

To activate your Global Cash Card via the Internet, please, follow these steps:

1- Go to www.globalcashcard.com

2- Enter the 16 digit number on your card in the box titled "**Activate My Card.**" (This is located below the words *Cardholder Service Center, see the picture, next page*) Once you have done that, click on GO.

3- The new page will ask you for your **Date Of Birth**, which must be listed in the following format: *Month / Day / Year*. You will then click on **CONTINUE**.

4- The next page will require the following information:

USERNAME (Choose a name with at least 6 letters and one number) **PASSWORD** (Choose a password with at least 6 characters) **CONFIRM PASSWORD PIN # 4 DIGITS** (Select 4 numbers, this option is to remove money in the electronic banks, ATM) *The next several boxes already contain your information* so just enter your **E-MAIL address** in the appropriate box.

5- Finally, click on **COMPLETE SETUP**.

6- If all of the information you entered is correct, you will see this message on the next page: ***"Your account has been setup successfully."***

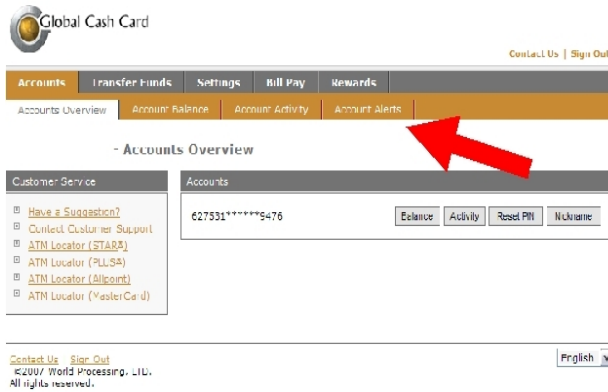

The next time you log onto your Global Cash Card account, please;

- Go to www.globalcashcard.com
- Enter your **Username** (in the *Login ID space*) and your **Password** below "Cardholder Service Center."
- Click on **LOGIN**.

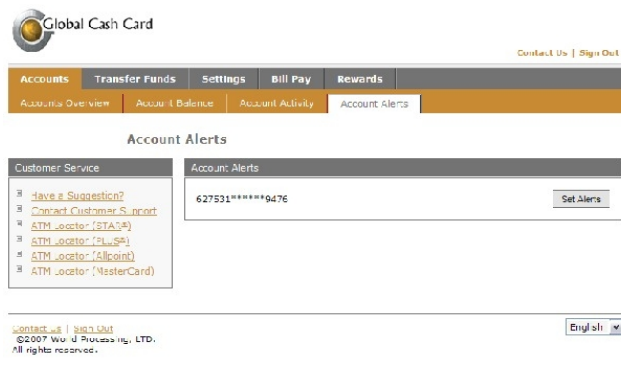

The card doesn't report your name on, so make a photocopy as you get the card. If an ATM keeps the Global Cash, you can prove it's yours.

SETTING E-MAIL ALERTS

If you like to receive e-mail alerts everytime LifeWave load your card with bonus, after login, click on Account Alerts

Click on set alerts

Select on, then e-mail message, type your e-mail address, click on load e and then update alerts
